Student Council Hears Problems

The Student Council has been confronted with many problems this semester. The majority has been solved, however, but there are three important problems remaining. These are; How should school elections be conducted?; Should Pershing have boy and girl cheerleaders?; How should conduct at school affairs be controlled? If any student has any suggestion concerning these problems he should contact his Student Council representative.

On January 19, the sixth grade students who are going to enter Pershing at mid-term visited and toured the school. They were taken on a conducted tour by Student Council members.

TV Playhouse

Did "My Little Margie" tell you that "I Married Joan"? Yes, "Ozzie and Harriet" were at the wedding and "Groucho Marx" sang "Dragnet." We are living the "Life of Riley" here in the "Heart of the City." "The Big Story" around here is that a "Racket Squad" is on the loose and they are creating "Foreign Intrigue." "Amos n' Andy" will be over for "Coke Time" in a few minutes. It's a regular "Comedy Hour" when "Mr. Peepers" and "Milton Berle" get together over here for they put on a "Show of Shows." I still have to write a "Letter to Loretta" "Today" so I guess this is the "Final Edition News" for now.
